

# 16<sup>th</sup> National N Scale Convention

CANBERRA—10 TO 14 OCTOBER 2019

Welcome to the second newsletter for the 16<sup>th</sup> Australian National N Scale Convention and happy New Year to the N scale modelling fraternity.

The web site is now live and the registration form is available. To assist with the registration, we have compiled explanatory notes which are on the web page under General Information, please read these before completing the registration form.

The web site can be accessed via:

<http://convention2019.nscale.org.au/>

A link to the registration form is available on the registration page of the web site.

A special tariff for accommodation at the venue has been negotiated and can be accessed if delegates use the password **RAIL**.

Accommodation at the venue can be accessed by either phoning the hotel on

02 6295 2944 and quoting the code **RAIL**, or by visiting their website via

<https://www.thebookingbutton.com.au/properties/hotelheritagedirect>

and entering the code **RAIL** into the “Promo Code” box. Breakfasts are included in the “flexible” room tariff but not in the “hot” rates. Please note that delegates with mobility issues should ask for ground floor accommodation because the venue does not have lifts to the first floor.

The organising committee and N scale modellers in Canberra look forward to hosting you in October.

All the very best
